

THE ACRE

NEWSLETTER

JUNE 2023

Dear Neighbours,

Welcome to the monthly update on The Acre development from Lendlease. This regular newsletter will keep you up to date with the progress we have made, what we will be working on in the coming months, community events you can get involved with and how to get in touch.

Construction Update

The façade panels have been installed up to L5 on the Arne St elevation and commenced in the atrium area, this has released the striking of the perimeter scaffold which is ongoing. Concrete infills are complete in all areas with the loading bay steel work due to commence on 19th June. Perimeter drylining continues from L1-6 with the refuge areas also being formed outside the risers. Mechanical and electrical services are being installed up the risers with high level MEP install progressing from L1-7. Plant deliveries into the basement continues with 2 AHUs, all electrical panels and tanks now in their final positions. Waterproofing and plant plinths to the roof terraces is nearing completion which will release MEP plant installation on the roof in the coming weeks.
